10 REASONS TO RENT FROM HAWTHORNE RENT-IT SERVICE

1. Minimize Costly Breakdowns

Our fleets are loaded with newer, reliable equipment that are put through a rigorous maintenance routine by trained mechanics prior to each rental to assure the most productive and reliable equipment possible reaches your job site.

2. Get Your Job Completed More Efficiently

Expect the latest technology from Hawthorne Rent-It Service. We rent Caterpillar and other quality brands of equipment utilizing the most innovative ideas available today. You will be using the right equipment to get the job done.

3. No Maintenance Costs

Now you can eliminate costly service shops, service tooling, spare parts and those cumbersome maintenance records. We do it all for you. Our rental agreements typically cover complete maintenance of the equipment, so you don't have to.

4. Eliminate Storage Costs

No need to maintain a storage yard. Just give us a call for quick pick-up or simply drop off the equipment at any of our Hawthorne Rent-It Service locations when you've finished using it. We'll take care of the equipment storage.

5. No Capital Investment

Renting frees up your business' capital. An expense is only incurred for the equipment when it is needed for a particular job. The extra capital you save through renting equipment from Hawthorne Rent-It Service can be applied to the other demands within your business so you can grow profitably. Release your business from the costs associated with equipment ownership.

6. Increase Your Borrowing Power

Renting equipment does not appear as a liability on your business' balance sheet. So renting can actually increase your borrowing power by offering a better ratio of assets to liabilities.

7. No Equipment Obsolescence

Equipment ownership can be costly. The value of equipment depreciates over time. Renting from Hawthorne Rent-It Service allows you to use the latest technology equipment without the concern of costly depreciation. No more trying to get the job done with old, worn-out equipment.

8. Try It Before You Buy It

You may be considering buying a certain model of equipment and would like to operate it on your job to make sure it suits you before making that potential purchase. What better way to thoroughly try out equipment than to rent a similar machine from the large selection of equipment at Hawthorne Rent-It Service.

9. Supplement Your Core Fleet

Your job requirements are always changing and you need to stay up with your customers' demands. You may not always have the right equipment to get the job done, but we do. Rely on Hawthorne Rent-It Service to quickly supply the equipment you need to get the job done.

10. Expect Responsive Service

Our team can knowledgeably consult with you on equipment and applications. We will work to become your trusted rental source and make your job easier. We are only a phone call away.

Hawthorne Rent-It Service has everything you need for your jobsite. Whether it's a tamper or an excavator, a generator or an air compressor, or a hand saw, Hawthorne is your single source for all your equipment needs.

WE OFFER:

- Rent Compliant Fleet
- Construction Site Packages
