Hawthorne Cat Promotes Cat Certified Used Equipment

Cat Machines Selected, Inspected, and Serviced at a Higher Standard

San Diego, CA – – Hawthorne Cat, the exclusive Cat® equipment dealer in San Diego, the Hawaiian Islands and the Pacific Region, promotes Cat Certified Used equipment that guarantees good-as-new performance and gives you peace of mind.

We select low-hour, well-maintained machines and thoroughly inspect them inside and out to meet our standards. After passing a 140-point inspection, our team will service any identified issues using only Cat genuine parts and complete the most recent maintenance. We'll even provide a documented service history to help you make an informed decision before you buy.

Our Cat Certified Used machines are up to 5 years old yet deliver high-quality and reliability with many of the updated technologies and features of new models. Plus, all Cat Certified Used equipment is backed by a dependable protection plan that covers your machine beyond the original factory warranty.

Corporate Machinery Sales Manager, Ross Farmer says, "Our team of highly-trained technicians will help you find the right machine, provide the necessary parts and service, and deliver an unmatched customer experience." Farmer continues, "The Cat Certified Used program ensures you get a good-as-new machine at an affordable price."

Visit <https://www.hawthornecat.com/cat-certified-used> to check out all the Cat Certified Used machines available at Hawthorne Cat.

About Hawthorne Cat

Hawthorne Cat is the authorized dealer for Cat construction and power equipment in San Diego, Hawaii, Guam, Saipan and American Samoa. Hawthorne sells, rents, provides parts and service, training, and emission solutions to various industries including general building construction, landscaping, marine, paving, and power generation.
