

CAT® ADVANSYS™ (GET) Move More Material with Less Downtime.

The Highest Standard in Hammerless GET

Optimize the performance of your Cat 924-994 Wheel Loader or Cat 311-390 Hydraulic Excavator with Cat Advansys Ground Engaging Tools (G.E.T.).

Advansys Tips and Adapters are built specifically for demanding high production applications, moving more material with less machine down time, shift after shift. This hammerless Cat system simplifies installation with integrated retention components and streamlines retrofitting with adapters that drop into the same space as K Series.

Now through December 31, 2023, save up to 100% on Cat Advansys Tips and Adapters.

Offer 1

Convert your existing K Series Tip & Adapter System for 924 – 994 and 31-390 size machines and receive **100% off adapters plus two sets of teeth** when converting to Cat Advansys.

Offer 2

Convert your competitive manufacturer's G.E.T. to Cat Advansys and receive **100% off Adapters or 50% off a Cat Advansys Base Edge or Base Edge Assembly** for 924-994 and 311-390 size machines.

*Offers good through 12/31/2023 at Hawthorne Cat and is subject to credit approval. This offer cannot be used in combination with any other programs, offers or discounts. Offer may change without prior notice and additional terms and conditions may apply. Contact Hawthorne Cat for details.
