THE CAT REMAN DIFFERENCE

When your Cat on-highway truck engine runs with Cat Reman parts, you don't just save money. You also get what you need for the next million miles on the road — all at a fraction of the cost of new, with core return¹.

- » **Like new quality:** Cat Reman parts undergo the same validation and testing as new parts.
- » **Exceptional performance:** Cat Reman parts receive the latest engineering updates, meeting Caterpillar performance standards.
- » **Caterpillar warrantied product:** Genuine Cat new and Cat Reman parts are covered by a 12-month Caterpillar Limited Warranty² against Caterpillar defects in material and/or workmanship. Cat Reman heavy-duty engines are covered by a 24-month Caterpillar Limited Warranty². You also have the option to add Caterpillar Extended Service Coverage (ESC) for up to 48 months.
- » **Your dealer is standing by:** With over 30 authorized Cat dealers in North America who manage a combined network of 2,000+ sales and service locations, Cat Reman components are drop-in ready solutions, which help you reduce downtime, maintain productivity, and keep your Cat on-highway truck engine on the road for the long haul.

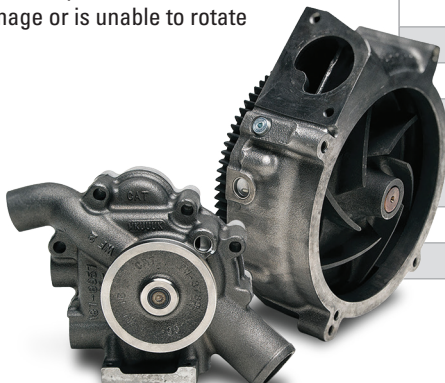

¹Additional requirements apply. Contact your authorized Cat dealer for more information.

²Warranty can vary by model and application; limitation apply. For complete details about the applicable Caterpillar Limited Warranty, contact an authorized Cat dealer.
