

CAT® ADVANSYS™ SYSTEM

Move More Material with Less Downtime.

The Highest Standard in Hammerless GET

Optimize the performance of your 924-994 wheel loader or 311-390 hydraulic excavator with Cat® Advansys™ GET (Ground Engaging Tools).

This hammerless Cat system simplifies installation with integrated retention components and streamlines retrofitting with adapters that drop into the same space as K series.

***Now through December 31, 2024, convert your existing K Series or competitive manufacturer's GET to Cat® Advansys™ and receive 100% off Adapters or 50% off a Cat Advansys Base Edge or Base Edge Assembly for 924-994 and 311-390 size machines.**
