# CAT REMAN HELPS KEEP YOU **ON THE ROAD**

Keep your Cat truck engine a Cat truck engine by always repairing with genuine Cat parts — the only components designed, manufactured and tested specifically to fit. That includes Cat Reman products. Here's how they can help keep you going for the next million miles:

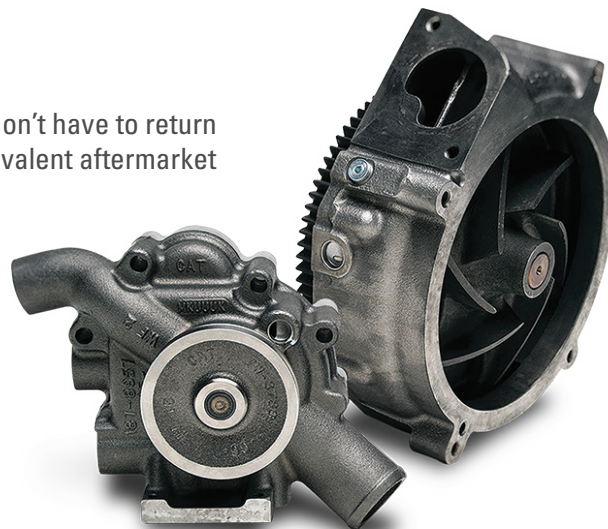

- **Like new performance:** Cat Reman parts undergo the same validation and testing as new parts. Plus, they receive the latest engineering updates to meet current Caterpillar performance standards.
- **Fraction-of-new price:** When you return your core (used component) in exchange for a Cat Reman component, you pay a fraction of the cost of a new part.<sup>1</sup>
- **Drop-in solutions:** Cat Reman products are available on parts.cat.com and from more than 30 authorized Cat dealers in North America, who manage a combined network of 2,000+ sales and service locations. They can help you reduce downtime and maintain productivity.
- **Caterpillar warrantied products:** Cat Reman parts are covered by a 12-month Caterpillar Limited Warranty<sup>2</sup> against Caterpillar defects in material and/or workmanship. You also have the option to add Caterpillar Extended Service Coverage for up to 48 months. Cat Reman heavy-duty engines are covered by a 24-month Caterpillar Limited Warranty.<sup>2</sup> Cat Reman heavy-duty engines have ESC options up to 60 months, with a 500,000 mile limit.

## CORE CREDIT FOR OTHER BRANDS

Ready to save on a Cat Reman turbo or water pump? You don't have to return a Cat core to get a fraction-of-new price. Bring in any equivalent aftermarket core and you'll receive full core credit if:

- It is a Cat or comparable aftermarket core
- It is fully assembled and complete
- It has minor housing or flange damage
- It has compressor and turbine wheel damage or is unable to rotate

Full core credit for other brands is available for additional Cat truck engine components, too. Ask for details.

<sup>1</sup>Additional requirements apply. Contact your authorized Cat dealer for more information.

<sup>2</sup>Warranty can vary by model and application; limitations apply. For complete details about the applicable Caterpillar Limited Warranty, contact an authorized Cat dealer.
